28 What one Doraiswami Venkatappa has obtained is a mortgage decree and the property is for sale on 28th in execution of that decree. It is therefore not possible to file any application of claim under order 21 rule 58 of the C.P. code, "by way of caveat" as the D.C. calls it, nor can an application or petition lie for cancellation of a decree ~~if the sale is to be stopped~~

Let what the D.C. has to do, as manager of the Mutt properties, if the sale is to be stopped, is to take proceedings by way of a suit to cancel the permanent lease granted by the late Swami and in that suit he has to immediately obtain ~~order~~ an order staying further execution of the decree obtained by Venkatappa. After all the purchaser at the Court sale to be held on the 28th gets only the right, title & interest of the permanent lessee in the property he purchases and he is therefore equally liable to be evicted in case the permanent lease is cancelled by means of the proposed suit. He will only be an additional defendant to the suit and no other complications can arise, even if the sale is allowed to be held on the 28th.

Railway Protection - Act IV of 1886 - (Chittoor) Kangundi Zamindari - Errabettayanur village - Jambucheruvu tank - Repairs - Your letter No. 5319/210-31, dated Nil-July, 1931

I am directed to say that this Government are unable to accept the view expressed by the Mysore Darbar that, so long as the lease is subsisting, the responsibility for executing the necessary repairs to the tank rests not on the Mutt but on the lessee. This Government are advised that the effect of the expression "in possession of or having control over the works named" occurring in section 6 of the Madras Railway Protection Act of 1886 (Madras Act IV of 1886) is not to shift the statutory responsibility on to the shoulders of a lessee in cases where the landholder may have leased the land. The Government have therefore felt it incumbent on them to pass orders as in the enclosed proceedings No. Ms.1662-Revenue, dated 4th August 1931. I am to request that a copy of these Proceedings may be communicated to the Mysore Darbar.

I have the honor to be,

Sir,

Your most obedient servant,

for Muzrai Commissioner
Absent

Letter No.A.2 C.482/31-32 dated 8th March 1932 from the Deputy Commissioner, Kolar District to the Muzrai Commissioner in Mysore.

In reply to your No.1706/28-29 dated 19th February 1932, in the matter of the cost of repairs of the Jambu Cheruvu in Yerrabettayyanur village, Chittoor District, I have the honor to state that if the -- lessee is called upon by the Government on behalf of His Holiness the Swamigalu to deposit the estimated cost of the project, it will necessarily amount to acceptance of the lease which as I have already pointed out in the previous correspondence is of the nature of a permanent alienation being a perpetual lease. This lease is unfavourable to the Mutt's interests and a more favourable lease was forthcoming but could not be proceeded with, in view of the opinion of the Law Secretary.

2. If it is considered that such action by way of calling upon the lessee to deposit the amount would not operate as an estoppel against the Mutt, I shall issue notice accordingly.

3. If this is considered undesirable on the ground of estoppel, the best course is for the Government to pay the amount to the Madras ---- Government when demanded and then recover the amount from the present lessee whether direct or through a court without prejudice to the rights of His Holiness the Swamigalu to sue for the cancellation of prepetual lease after he ~~xkx~~ takes charge of the Mutt as decided by the Government ~~of~~ in Financial Secretary's letter No.2217/Muz.227-30-3 dated 11th April 1931.

4. I ~~amy~~ may, in this connection, point out that there is no fund at the credit of the Mutt to meet this charge, in the first instance, when the demand is made by the Madras Government. As you are already aware in connection with the amount payable to the Sub Judge's court, Bangalor in respect of the decree held by Nagaraja Rao and others (vide your office file No.155/31-32) the Mutt has to meet a liability of Rs.4000/ at any moment, if the suit for the cancellation of the decree fails.

5. It is therefore inevitable that the Government, as managers of the Mutt properties, must advance the amount of Rs.2,230/- be it more or less required for this tank and Rs.4,000/- for the other decree, whenever the items are demanded.

Letter dated 10-5-32, from Mr. J. Krishna Rao, B.A., B.L., Vakil Chittoor, to the Deputy Commissioner, Kolar District Kolar.

In reply to the notice dated 10-4-32, issued by the Amildar of -- Mulbagal to my client Mr. V.Ramakrishniah Chetty Garu of Kuppam calling upon him to pay a sum of Rs.200/- for 1929-30 and Rs.350/- each for 193(31 and 1931-32 in respect of the Ijara of Yerrabetiganoor village in Kangundi Zamindary and also in reply to your official Memorandum dated 28-4-32 forwarding a copy of the order of the Madras Government in ----- regard to the execution of repairs to Jambucheruvu, I am instructed by t the said Mr. Ramakrishniah Chetty Garu to state as follows:-

My client is always ready and willing to pay the sum lawfully payable by him. On hearing from you about your willingness to accept the usual -- amount at the rate of Rs.200/- per year, he will immediately pay down th amount.

With regard to the matter of the repairs to Jambucheruvu, my ~~xkax~~ client has to state, that he is willing to carry out the necessary repa in accordance with the terms of the above mentioned Ijara Deed which yo want to enforce. He requests that you also in your turn observe the covenants contained therein and claim only Rs.200/- per year as therein reserved. It must be further stated that my client is liable to execut the repairs to the northern half of the tank bund and the northern weir, and for the southern half of the bund and for the southern weir, the Rajah of Kangundy is bound to execute the repairs who owns half of the wet Ayacat under the tank irrigated by the water. He therefore request you to intimate this fact to the Collector of Chittoor District so that, he may take the necessary steps and inform the Rajah of the same.

So far as the northern-half of the bund is concerned by client has removed the prickly pears and done the mud work, and if anything more is to be done, he is ready to complete it with regard to his share on the r rec ipt of the copy of the estimate sent to you by the Collector.

In the face of the facts set forth above there is absolutely no ne to start any legal proceedings against my client and in spite of t - if any such proceedings are launched unnecessarily my client will not be ---

SIR,

Re. the payment of the cost of restoration of Jambucheruvu of Yerrabettayanur, a railway affecting tank in Kangondi Zamindari.

Adverting to correspondence ending with Financial Secretary's letter No.1461/Muz. dated 13-4-1932 in re. the payment of the cost of repairs to Jambucheruvu in Yerrabettayanur village, belonging to Sri Avani Mutt, I have the honor to state that the Deputy Commissioner, Kolar District, reports in his letter No.A1-C.3497/36-37 dated the 9t March 1937 (copy enclosed) that he has received a Notice under Sectio 10 of the Railway Protection Act IV of 1886 from the Collector of th Chittoor District, demanding a sum of Rs 2,086-8-0 towards the cost of the repairs effected to the said tank, that he h s acknowled[illegible] the r ceipt of the Notice with the remark that the orders of the Muzrai Com missioner would be obtained as regards the payment of the amount tha there is only a sum of Rs 1,664-15-5 in the district at the credit of the Mutt and requests that orders might be obtained for crediting Rs 2,086-8-0 to the Palmaneru Sub Treasury, as desired by the Collect of Chittoor the balance being met from the funds of the Mutt with t Muzrai Commissioner.

The cost of repairs of Jambucheruvu is no doubt a charge that should be met by the lessees of Yerrabettayanur village as per terms of the lease deed executed by them. As they have not as yet paid th arrears of gutta amount itself, the question of filing a suit agains

them for the recovery thereof is under contemplation. As the amount is to be paid to the Sub Treasury at Palmaneru immediately, the amount will have to be met in the first instance from the Mutt funds and the same recovered from the lessees later on if need be by filing a suit. The Mutt has only Rs 1,664-15-5 at its credit in the Kolar District, and no amount is available with me as the funds of the Mutt in my custody have been sent to the Subordinate Judge, Bangalore, for payment to the decree-holder in O.S.No.93/19-20 Ex.2544/24-25 on the file of his court (vide your letter No. 5090 dated 1-2-1937 according sanction thereto).

In the circumstances, I request that sanction of Government may kindly be obtained for paying Rs 2,086-8-0 in the 1st instance from the Mutt funds, Rs 1,664 being paid to the Palmaneru Sub Treasury immediately, the balance being paid as collections are made now that the collection season has set in.

The favour of early orders is solicited.

The enclosure received with the Deputy Commissioner's letter is sent herewith.

SIR,

Re. Repairs to Jambucheruvu Tank
in
Errabettayyanur Village,
belonging to
Sri Avani Mutt.

With reference to your No.39/Muz. dated 15-7-1937 and subsequent reminders thereto, on the above subject, I have the honor to forward herewith, for the information of Government, a copy of letter No. A5-10148/32 dated 10-10-1932 from the Collector of Chittoor, to the Deputy Commissioner, Kolar District, in reply to his No.A2-C.482/31-32 dated 27-8-1932, a copy of which has been already sent to Government with this office No.C.1706/28-29 dated 6-9-1932. From the reply of the Collector, it is seen that he expects the inamdar to execute the repairs and does not take cognizance of any private arrangement that may have been entered into, either with the lessees of the Mutt Estates or Zamindar of Kangundi. Further, the Collector states that he is not aware of any repairs done by the lessees.

The Deputy Commissioner, Kolar District, in his No.R.Dis.A2-C.462/31-32 dated 7-1-1933 (copy enclosed), states that a fresh lease was taken from Mr. V. Srinivasalu Chetty and two others and that he has instructed the Sub Division Officer, Kolar, to call upon the lessees to produce the amount of Rs 2,230, being the cost of the estimate for the repairs of the tank. They have not produced the amount, in spite of Notice.

The repairs to the tank have been executed at a cost of Rs 2 and a sum of Rs 1,086-8-0 out of this has already been paid, as per No.1484-5/Muz.241-36-2 dated 11th May 1937 to the Collector through the Comptroller to Government. The balance will be paid as funds are collec ed.

Action has been taken to recover the lease amount and the charges incurred for tank repairs from the lessees, by filing suits against them and sanction of Covernment has also been obtained in G.O.No.1026-28/Muz. 169-37-3 dated 21-1-1938 for filing suits and for paying an advance of Rs 500 to the lawyer.

The Agent of the Mutt had been asked to make a clear and definite statement, as to how the Raja of Kangundi was also liable to pay a portion of the cost of repairs. He has not replied, though a reminder was issued.

Letter No.24/36-37 dated 11-3-38 from the Convenor, Sri Avani Ingeri Mutt Committee, to the Muzrai Commissioner in Mysore.

I have the honor to state that your Memo No.C.1160/36-37 dated 3-38 was received now and with reference to the above and to the previous correspondence thereon, I have the honor to state that from letter No.A2-C.482/31-32 dated 27-8-32 from the Deputy Commissioner, Kolar District, and from letter No.A5-10148/32 dated 10th Oct. 32 from the Collector to the Deputy Commissioner, Kolar, it is evident that the Raja of Kungondi who owns about 60 acres of land below the Yerra-pettayyanur Tank, has to bear proportionate cost of repairs of the said tank. As, however, the Collector says that the Inamdar, the Swamigalu, has to bear the charges of repair, irrespective of any private arrangements with the Jamindar, the cost may be paid at the 1st instance from the Mutt funds and we may proceed against the Jamindar, in future, for his share of the liability.

7 OCT. 1938

SIR,

Re. the recovery of the contribution amount of Jambucheruvu Tank, in Kangundi Estate.

In continuation of this office letter No.C.1160/36-37 dated 24-8-1938 stating that a further report would be sent to Government after receipt of information from the Deputy Commissioner, Kolar District, I have the honor to forward herewith, for the information of Government, a copy of letter No.A1-6.3497/36-37 dated 3-9-1938 received from the Deputy Commissioner, on the above subject. The Deputy Commissioner reports that the Raja of Kangundi owns an extent of 27 acres and 28 guntas under the atchkat of the tank and that it would, therefore, be desirable to move him to bear a portion of the cost according to his share of atchkat and that before any action is taken, as per rules, it would be necessary for the Convenor to correspond with the Raja in the first instance. I have written to the Deputy Commissioner, to write to the Convenor as suggested, and shall address Government again after receipt of a further report in the matter.

I have the honor to be,

No.A1-C.3497/36-37 dated 3-9-38 from the Deputy Commissioner, Kolar the Muzrai Commissioner in Mysore.

Subject:- Regarding the recovery of share of contribution towards the cost of restoration of Jambuchervu from the Raja of Kongondi Estate.

In continuation of my letter of even No. dated 27-7-1938 on the above subject, I have the honor to state that the Convenor of Sri Avani Mutt intimated that the Raja of Kongondi owned an extent of 27 acres 28 cents of lands in Mallakalapalli village under the atchkat of the above tank and that the is not aware of any undertakimg or agreement with the Zamindar in regard to the payment of the cost of repairs as there was an interval between the demise of the previous Swamigalu and the succession of the present Swami, during which period the affairs of the Mutt were in a confused state and no previous references are traceable. He further requested to ascertain if any irrigation cess is being recovered from the village and credited to Government. A copy of the letter of the Convenor was sent to the Collector of Chittoor and he was requested to make necessary investigation in the matter of fixing the liability of the Raja to bear a portion of the cost. In reply, he has stated in his letter dated 24-8-1938 (copy enclosed) that no action could be taken in the matter in the absence of any understanding or agreement between the Zamindar of Kongondi and the Sri Avani Mutt and that no Irrigation Cess is being recovered from the Zamindar and credited to Government.

As it is stated by the Convenor that the Raja of Kongondi owns an extent of 27 acres and 28 guntas under the atchkat of the tank it seems desirable to move the Raja to bear a portion of the cost according to his share in the atchkat. Before any action is taken as per rules it appears necessary that the Convenor may correspond with the Raja in the first instance and that further action may be taken ~~of~~ after receipt of reply from him. The position so far as the other lessees are concerned is different. They have given agreements to bear contribution and other charges and so action is being taken against them in the civil court at Chittoor to recover the entire amount. In the absence of any such agreement from the Raja, it will be difficult to take similar action against him. If this is approved, I shall write to the Convenor to move the Raja in the matter.

Favour of early orders are solicited.

GENERAL SECRETARY 15 OCT. 1939 Sir

Re. the Suit filed against the lessees of Arrabettayanur Village, in Nangondi Estate, belonging to Sri Avani Mutt.

In continuation of this Office letter of even No. dated 1-9-1939 and with reference to your Office D.O. letter No.781/Muz. dated 6-10-39 on the above subject, I have the honor to forward herewith, for the information of Government, a copy of letter No. A-C. 497/36-37 dated 17-9-1939 together with copy of its enclosure, received from the Deputy Commissioner, Kolar District, reporting that in the decision given by the Sub Judge on 13-9-1939, the Court has disallowed a sum of Rs 1,000 out of the contribution amount of Rs 2,086-8-0 due from the lessees, and that a separate suit has been filed in the Munsiff's Court, for the balance of Rs 1,086-8-0. In regard to the sum of Rs 1,000 disallowed the Vakil is reported to have stated that there is a fair chance of success if an appeal is preferred. The Deputy Commissioner has promised to submit a further report in the matter, after obtaining additional information in this respect from the Vakil.

I shall address Government again in the matter after receipt from the Deputy Commissioner.

No.A1-C.3497/36-37 dated 17-9-39 from the Deputy Commissioner District, to the Kuzrai Commissioner in Mysore.

Subject:- Regarding the Suit filed against the lessees of Errabettayanur village, belonging to Sri Avani Mutt in Sanjondi Estate.

In continuation of my letter of even Number dated 11-8-39 intimating that the above case was adjourned to 13-8-39, I have the honor to state as the certificate issued by the Executive Engineer, North Arcot Division, Vellore, in token of acceptance of Tank Contribution of Rs 703-8-0 paid through the Comptroller in Mysore and filed in the Court was not the original one, the Sub Judge took objection to it and adjourned the case to 13-9-39 for the production of the original certificate. As there was very little time for correspondence, Mr. M. L. Lakshmipathiah, Head Accountant of this office was directed to proceed to Vellore to obtain the required certificate and produce the same in the Court. This was done but the case was posted to 6-9-39 for arguments. Mr. T. Krishna Rao, Vakil, now reports (copy enclosed) that the Judgment was pronounced on the 13-9-39 and a decree was passed for a sum of Rs 2901-11-0 and costs which included the sum of Rs 900 being the balance of arrears due before the date of the lease. It is further stated that the Sub Judge disallowed the cost of repairs to the tank as there was no clause in the lease-deed to that effect. The Vakil is however of the opinion that there is a fair chance of success if an appeal is preferred in the District Court as the Judge has failed to consider some relevant references. Only a sum of Rs 1000 has been included in the present suit and for the balance of amount of contribution viz., Rs 1086-8-0 a separate suit has been filed in the Munsiff's Court and the case is posted to 30-9-1939.

I have called for the copies of Judgment and Decree in this case and shall submit the same together with my opinion regarding the preferring of an appeal or otherwise after obtaining the same from the Vakil. In the meantime the journey performed by the official between the 14th to 18th August (both days inclusive) from Kolar to Vellore and on to Chittoor may kindly be sanctioned.

ORDER No. 1000-2 Dmng. 24-36-4.

Bangalore, dated the 7th November, 1939.

The village of Errabettayyanur in the Kongondi Estate, Chittoor District belonging to the Sri Avani Mutt in Kurbagal Taluk Kolar District was leased out for 30 years to the lessees for an annual lease of Rs.350/- and for payment of Rs.400/- being the arrears of rent of previous years on the village through a registered lease deed dated 31st October, 1936. As the lessees failed to pay the lease amounts due from them, a suit (O.S.No.19 of 1938) was filed in the court of the Sub-ordinate Judge at Chittoor for Rs.4034-5-8 including Rs.1086-8-0 paid from the Mutt funds towards the restoration of the Village tank by name Jambucheruvu, as the lessee failed to repair the tank as per terms of the lease deed. The Sub Judge has disallowed the claim of Rs.1,086-8-0 observing that the repairs effected to the tank were not a liability arising subsequent to the suit lease and that the lessees are therefore not liable to pay therefor. As the entire amount towards the tank restoration charges

charges has been met from the Funds of the Mutt and as the lessees d liable to pay the same as per terms of the Lease de d, the Deputy Commissioner, Kolar District has proposed to prefer an appeal against the abo e judgment, in the District Judge's Court at Chitboor as there is a fair chance of success. In view of the urgency of the case the Muzrai Commissioner has permitted the Deputy Commissioner, to take action to prefer the appeal and has also placed at his disposal a sum of Rs.150/- out of the Mutt funds for meeting the cost of the appeal. In the circumstances, the action of the Muzrai Commissioner is approved.
